Company profile

OUR STORY

Established in the heart of South Africa, Lerumo Security (Pty) Ltd T/A LSec Security, stands as a beacon of safety and trust in the security industry. Founded on the principles of integrity, professionalism, and reliability, we embarked on a journey to redefine security solutions.

With a team of seasoned experts, LSec Security was born out of a collective vision to provide unparalleled protection to individuals, businesses, and communities across the nation.

OUR APPROACH

At LSec Security, we believe in proactive measures and strategic planning to mitigate risks effectively. Our approach is rooted in understanding the unique security challenges faced by our clients and tailoring comprehensive solutions to address them.

By leveraging cutting-edge technology, rigorous training, and a commitment to excellence, we stay one step ahead in an ever-evolving landscape of threats.

LSEC SECURITY STANDS AS A BEACON OF SAFETY AND TRUST IN THE SECURITY INDUSTRY.

OUR SERVICES

At LSec Security, we take pride in delivering a full spectrum of security services across South Africa, backed by our team of PSIRA accredited professionals. Whether you require short-term, one-day coverage or a steadfast, long-term solution, we possess the trusted manpower to meet your needs.

Our Offering

Event Security:

From intimate gatherings to large-scale events, LSec Security ensures seamless operations and peace of mind for organizers and attendees alike.

Door Supervisor:

Our trained door supervisors maintain order and provide a welcoming atmosphere at venues, ensuring a safe and enjoyable experience for patrons.

Personal Protection:

For individuals requiring discreet yet robust protection, our personal protection services offer a tailored approach to safeguarding personal assets and well-being.

WHETHER YOU REQUIRE SHORT-TERM, ONE-DAY COVERAGE OR A STEADFAST, LONG-TERM SOLUTION, WE POSSESS THE TRUSTED MANPOWER TO MEET YOUR NEEDS.

Our Offering

Provision of Armed and Unarmed Protective Security Guard Services:

LSec Security deploys highly trained security guards equipped to handle a range of security scenarios, whether armed or unarmed, ensuring comprehensive protection for our clients.

Department of State Contracting:

We proudly serve government agencies with top-tier security solutions, meeting stringent requirements and upholding the highest standards of professionalism.

Strike Security and Labour Disputes:

During times of unrest, LSec Security provides a calm and controlled presence to safeguard assets and maintain operations amidst labor disputes.

Executive Protection:

Executives and high-profile individuals trust LSec Security to provide discreet yet robust protection, allowing them to focus on their responsibilities with peace of mind.

Control Room Monitoring:

Our state-of-the-art control room is staffed by trained professionals who monitor security systems in real-time, ensuring swift response to any potential threats.

Provision of K9 Unit:

Leveraging the keen senses of highly trained K9 units, LSec Security enhances detection capabilities and provides an added layer of security for various environments.

Our Offering

Prisoner Transportation and Fugitive Extraction:

With utmost discretion and professionalism, our team handles the transportation and extraction of prisoners and fugitives from sensitive areas, ensuring safety for all involved.

Tactical Response Unit:

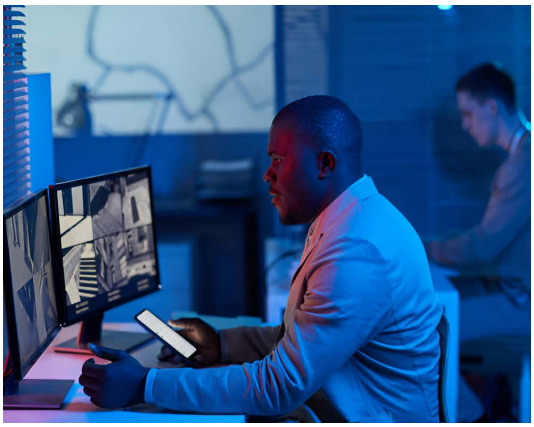

In critical situations, LSec Security's tactical response unit swiftly deploys to handle high-risk scenarios with precision and efficiency.

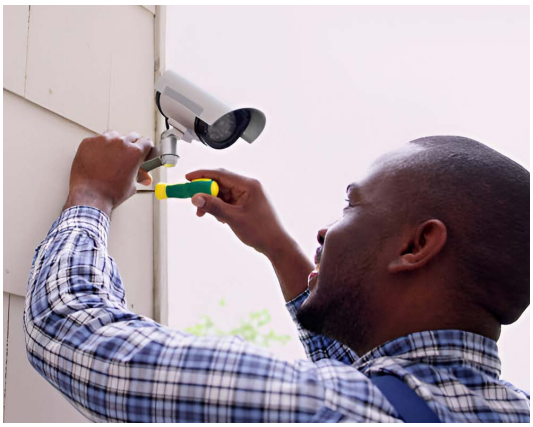

Security Systems Installation:

We offer comprehensive security systems installation services, utilizing the latest technology to fortify your premises and enhance overall security posture.

Mobile Patrol Services

LSec Security offers mobile patrol services designed to provide visible security presence and proactive monitoring across designated areas. Our mobile patrols are conducted by trained professionals who perform regular checks, inspections, and respond swiftly to any security incidents.
